

L.A.C.E.S. DIRECT DONATION 2014-2015

One of the differences between a Good School and a Great School is the support it gets from its community.

The District cannot provide the funding necessary for the basic supplies and programs that our school needs. With your donation LACES can continue to thrive as an award-winning, top performing school, that offers the best possible educational program for our students.

Please take a look below and decide how your family can support LACES at a level that is comfortable for you:

\$120 Friend

The Basic Budget

Covers the essential items on the Friends Of LACES budget that keep our school running smoothly.

\$300 Patron

Departmental Needs

Covers the basic budget and funds for programs and supplies that have been requested by our departments.

\$600 + Benefactor

Building Tech for the Future

Covers the basics, departmental requests and technology to help students succeed in today's changing world.
